

Fill in the gaps

Inside (1) life	So I bid farewell
Under it's spell	The (10) hand (11)
I close my eyes	(12) me
And live to tell	Held too tight
The (2) we're (3) will	His (13) weighs on me at night
(4) disappear	People change
Death she (5) near	And instantly
People change	I'm not the same girl
And instantly	I (14) to be
I'm not the same girl	I can't (15) all the memories
I (6) to be	But I can explain
I can't (7) all the memories	If you're listening
But I can explain	People change
If you're listening	Not (16) me
People change	I (17) or wanted to
Not (8) me	You (19) (20) my threshold
Locked up in silence	How (21) you?
A living hell	
My (9) still beats
