Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I (1)_____ wasn't learning

Should have seen it all along

All those sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's (2)_____ that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it (3)_____ (4)_____ been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time...

If you'd told me (5)_____ the start that you're playing

Around it would (6)_____ been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why would you bring me so much pain

I would stil (7)_____ for you, 'cause I did (8)_____ you

While my dogs would chew you out

Tried to be so nice on (9)_____ lonely nights

(On those lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me (10)_____ the start (11)_____ you're playing

Around it would have been fine

It would have (12)_____ fine

Then I would have played too and I guess

I would have had a good time

If you'd (13)_____ me (14)_____ the start that you're playing

Around it would have been fine

Then I would have (15)_____ too and I guess

I would have had a good time

If you'd told me from the start (20)_____ you're playing

Around it (21)_____ have been fine

If you told me

Then I would have played too and I guess

I would have had a good time

Feel good time, feel good time
