Don't Hold Your Breath by Nicole Scherzinger

Don't hold your breath	You were always jealous over such crazy stuff
You can't touch me now	You can't touch me now
There's no feeling left	There's no feeling left
If you think I'm coming back	If you think I'm coming back
Don't hold your breath	Don't hold your breath
What you did to me boy I can't forget	What you did to me boy I can't forget
If you think I'm coming back	If you think I'm coming back
Don't hold your breath	Don't (7) your breath
I was under your spell	Don't hold your breath
For such a long time couldn't break the chains	Move on don't look back
You played (1) my heart	I jumped off a train running off the tracks
Tore me apart with all your lies and games	Love is gone, face the facts
It took all the strength I had	A bad movie ends and the screen fades to black
But I crawled up on my feet again	What you did to me boy I can't forget
Now you're trying to lure me back	If you think I'm (8) back
But no those days are gone my friend	You can't touch me now
I loved you so much	There's no feeling left
Then I thought (2) that you could change	If you think I'm coming back
But all you brought me was a heart (3) of pain	Don't hold your breath
You can't touch me now	What you did to me boy I can't forget
There's no feeling left	If you think I'm coming back
If you (4) I'm coming back	Don't hold your breath
Don't hold (5) breath	You can't touch me now
What you did to me boy I can't forget	There's no feeling left
If you think I'm coming back	If you think I'm coming back
Don't hold your breath	Don't hold your breath
Don't hold your breath	What you did to me boy I can't forget
I was worried about you	If you think I'm coming back
But you never cared about me none	Don't (9) your breath
You took my money	
And L (6) that you, you could kill someone
