

It feels like more than distance between us

## Fill in the gaps

Chest to chest	In this california (13) bed
Nose to nose	We're 10000 miles apart
Palm to palm	I'll be california wishing on the stars
We (1) always just (2) close	For your heart on me
Wrist to wrist	My californa king
Toe to toe	Just when I (14) like giving up on us
Lips that felt just like the (3) of a rose	You turned around and gave me one last touch
So how (4) (5) I reach out my finger	That (15) everything feel better
It feels like more than distance between us	And even then my (16) got wetter
In (6) (7) (8)	So confused when I asked ask you if you love me
bed	But I don't wanna seem so weak
Were 10000 (9) apart	Maybe I've been California dreaming
I been california wishing on the stars	In this (17) bed
For youre heart on me	Were 10000 miles apart
My californa king	California wishing on the stars
Eye to eye	For (19) heart on me
Cheek to cheek	My californa king
Side by side	My California King
You were sleeping next to me	In (20) california king bed
Arm in arm	Were 10000 (21) apart
Dusk to dawn	I've been (22) wishing on the stars
With the curtains drawn	For (23) heart on me
And a little last (10) on these sheets	My California king
So how (11) (12) I reach out my fingers
