

## Fill in the gaps

From the day we arrive on the planet	More to find than can ever be found
And blinking, step (1) the sun	But the sun (15) (16) through
There's more to be seen than can ever be seen	the sapphire sky
More to do than can (2) be done	Keeps great and small on the (17) round
Some say eat or be eaten	In the circle of life
Some say live and let live	It's the wheel of fortune
But all are (3) as (4) join the	It's the leap of faith
stampede	It's the (18) of hope
You should never (5) (6) (7)	Till we find our place
you give	On the path unwinding
In the circle of life	In the circle, the circle of life
It's the wheel of fortune	It's the wheel of fortune
It's the leap of faith	It's the leap of faith
It's the (8) of hope	It's the band of hope
Till we (9) our place	Till we find our place
On the path unwinding	On the (19) unwinding
In the circle, the circle of life	In the circle, the (20) of life
Some of us fall by the wayside	On the (21) unwinding
And some of us soar to the stars	In the circle, the (22) of life
And some of us (10) (11) our	
troubles	
And (12) have to live (13) the scars	
There's far too (14) to take in here
