

Fill in the gaps

From the day we (1) on the planet	More to find than can ever be found
And blinking, step into the sun	But the sun rolling high through the sapphire sky
There's more to be seen than can ever be seen	Keeps great and small on the endless round
More to do than can ever be done	In the circle of life
Some say eat or be eaten	It's the wheel of fortune
Some say live and let live	It's the leap of faith
But all are (2) as (3) join the	It's the band of hope
stampede	Till we (7) our place
You should never take more than you give	On the path unwinding
In the circle of life	In the circle, the circle of life
It's the wheel of fortune	It's the (8) of fortune
It's the leap of faith	It's the leap of faith
It's the band of hope	It's the band of hope
Till we find our place	Till we find our place
On the path unwinding	On the path unwinding
In the circle, the circle of life	In the circle, the circle of life
Some of us fall by the wayside	On the path unwinding
And some of us (4) to the stars	In the circle, the circle of life
And some of us sail through our troubles	
And (5) to live with the scars	
There's far too much to take in here
