

Fill in the gaps

Major-General's Song by Gilbert And Sullivan

...

I am the very (1)_____ of a modern Major-General
I've information vegetable, animal, and mineral
I know the kings of England
And I quote the fights historical
From Marathon to Waterloo, in order categorical
I'm very well acquainted, too, with matters mathematical
I understand equations, both the (2)_____ and
quadratical
About binomial theorem I'm teeming with a lot o' news
(Hmm, lot of news.... Got it!)
With many cheerful facts
About the square of the hypotenuse
...

I'm very good at integral and differential calculus
I know the scientific names of beings animalculous
In short, in matters vegetable, animal, and mineral
I am the very model of a modern Major-General
...

I know our mythic history
King Arthur's and Sir Caradoc's
I answer hard acrostics, I've a pretty taste for paradox
I quote in elegiacs all the crimes of Heliogabalus
In conics I can floor peculiarities parabolous
I can tell undoubted
Raphaels from (3)_____ Dows and Zoffanias
I know the croaking chorus
From The Frogs of Aristophanes
Then I can hum a fugue
Of which I've heard the music's din afore
(Ooh, din afore, din afore... Got it!)
And (4)_____ all the airs
From that infernal nonsense Pinafore
...

Then I can write a washing bill in Babylonian cuneiform
And tell you every detail of Caractacus's uniform
In short, in matters vegetable, animal, and mineral
I am the (5)_____ model of a (6)_____
Major-General
...

In fact
When I know what is meant by "mamelon" and "ravelin"
When I can tell at (7)_____ a (8)_____ rifle
from a javelin
When such affairs as sorties

And surprises I'm more wary at
And when I know precisely
What is meant by "commissariat"
When I have learnt
What progress has been made in modern gunnery
When I know more of tactics than a novice in a nunnery
In short, when I've a smattering of elemental strategy
(Oh, that's a hard one, strategy... Got it!)
You'll say a better Major-General has never sat a-gee
...

For my military knowledge
Though I'm plucky and adventury
Has only been brought down
To the beginning of the century
But still, in matters vegetable, animal, and mineral
I am the very model of a modern Major-General
...

(One more time?!)
...

In fact
When I know what is meant by "mamelon" and "ravelin"
When I can tell at sight a Mauser rifle (9)_____ a javelin
When such affairs as sorties
And surprises I'm more wary at
And when I (10)_____ precisely
What is meant by "commissariat"
When I have learnt
What progress has been made in modern gunnery
When I know more of tactics than a novice in a nunnery
In short, when I've a smattering of elemental strategy
You'll say a better Major-General has never rode a horse!
...

For my military knowledge
Though I'm plucky and adventury
Has only been brought down
To the beginning of the century
But still, in matters vegetable, animal, and mineral
I am the very model of a modern Major-General!
...

Answer

1. model
2. simple
3. Gerard
4. whistle
5. very
6. modern
7. sight
8. Mauser
9. from
10. know
