Never Let You Go by Justin Bieber

Bring the doubters on They don't matter at all

Fill in the gaps

Oh, no	'Cause this life's too long
Oh, no, oh	And this love's too strong
They say that hate has been sent	So baby, know for sure
So let loose the talk of (1) (of love)	That I'll never let you go
Before (2) outlaw the kiss	It's like an angel came by and took me to heaven
Baby, (3) me one last hug (last hug)	(Came by and took me to heaven, girl)
There's a dream that I've been chasing	'Cause when I stare in your eyes, it couldn't be better
Want so badly for it to be reality (reality)	I don't want you to go, oh no, so
And when you hold my hand	Take my hand (take my hand)
And I understand that it's meant to be	Let's just dance (let's just dance)
'Cause baby, when you're (4) me	Watch my feet (watch my feet)
It's like an angel came by and took me to heaven	Follow me (follow me)
(Came by and took me to heaven)	Don't be scared (don't be scared)
Cause when I stare in your eyes, it couldn't be better	Girl, I'm here (girl, I'm here)
I don't want you to go, oh no, so	If you didn't know (didn't know)
Let the music blast	This is love
We gonna do our dance	Let the music blast
Bring the doubters on	We gonna do our dance
They don't matter at all	Bring the doubters on
Cause (5) life's too long	They don't matter at all (oh, baby)
And this love's too strong	'Cause (10) life's too long
So baby, know for sure	And this love's too strong
That I'll never let you go	So baby, know for sure
I got my favorite girl	That I'll never let you go
Not feelin', no pain, no fear (no fear)	So don't fear
Don't have a care in the world	Don't you worry about a thing
Why would I when you are here? (are here)	(I am here, by you)
There's a (6) I've (7) chasing	I'll never let you go
And I finally caught it out on this (8) (on this	Don't shed a tear

Baby, there's no hesitation, no reservation	(Whoa)
By taking a chance and more, oh no, because	I'll never let you go
It's like an angel came by and took me to heaven	Oh no, oh no, oh
(Came by and took me to heaven)	I'll never let you go
'Cause when I stare in (9) eyes, it couldn't be	Oh no, oh no, oh
