They don't matter at all

### Fill in the gaps

Oh, no	'Cause this life's too long
Oh, no, oh	And this love's too strong
They say that hate has been sent	So baby, know for sure
So let (1) the talk of love (of love)	That I'll (13) let you go
Before (2) outlaw the kiss	It's (14) an (15) came by and
Baby, give me one (3) hug (last hug)	(16) me to heaven
There's a (4) that I've been chasing	(Came by and took me to heaven, girl)
Want so badly for it to be reality (reality)	'Cause (17) I stare in your eyes, it couldn't be
And when you (5) my hand	better
And I understand that it's meant to be	I don't want you to go, oh no, so
'Cause baby, when you're (6) me	Take my (18) (take my hand)
It's like an angel came by and took me to heaven	Let's (19) dance (let's just dance)
(Came by and took me to heaven)	Watch my feet (watch my feet)
'Cause (7) I stare in your eyes, it couldn't be better	Follow me (follow me)
I don't want you to go, oh no, so	Don't be (20) (don't be scared)
Let the music blast	Girl, I'm here (girl, I'm here)
We gonna do our dance	If you didn't (21) (didn't know)
Bring the doubters on	This is love
They don't matter at all	Let the music blast
'Cause this life's too long	We gonna do our dance
And this love's too strong	Bring the doubters on
So baby, know for sure	They don't matter at all (oh, baby)
That I'll never let you go	'Cause this life's too long
I got my favorite girl	And this love's too strong
Not feelin', no pain, no fear (no fear)	So baby, know for sure
Don't have a care in the world	That I'll never let you go
Why would I when you are here? (are here)	So don't fear
There's a (8) I've been chasing	Don't you worry about a thing
And I (9) caught it out on this floor (on	(I am here, by you)
(10) floor)	I'll (22) let you go
Baby, there's no hesitation, no reservation	Don't shed a tear
By taking a chance and more, oh no, because	Whenever you need me
It's (11) an angel came by and took me to heaven	(Whoa)
(Came by and took me to heaven)	I'll never let you go
'Cause when I stare in (12) eyes, it couldn't be	Oh no, oh no, oh
better	I'll (23) let you go
(I don't want you to go, oh no, so)	Oh no, oh no, oh
Let the music blast	I'll never let you go
We gonna do our dance	
Bring the doubters on
