What You Want by Evanescence

Do what you what you want
If you have a dream for better
Do what you what you want
Till you don't want it anymore
(Remember who you really are)
Do what you what you want
Your world's closing in on you now
(It isn't over)
Stand and face the unknown
(Got to remember who you really are)
Every heart in my hands like a pale reflection
Hello, hello, remember me?
I'm everything you can't control
Somewhere beyond the pain
There must be a way to (1)_____ we can break
through
Do what you what you want
You (2)_____ have to lay your (3)_____
down
(It (4)_____ over)
Do what you what you want
Till you find what you're looking for
(Got to remember who you really are)
But every hour slipping by screams
That I have (5)_____ you
Hello, hello, remember me?
I'm everything you can't control
Somewhere (6)_____ the (7)_____ there
Must be a way to believe

Hello, hello, remember me?
I'm everything you can't control
Somewhere beyond the pain
There must be a way to believe
There's (8)_____ time
Close your eyes
Only love will guide you home
Tear down the walls and free your soul
Till we crash we're forever spiraling down
Down, down, down
Hello, hello
It's only me infecting everything you love
Somewhere beyond the pain
There must be a way to believe
Hello, hello, remember me?
I'm everything you (9)_____ control
Somewhere beyond the pain
There must be a way to learn forgiveness
Hello, hello, remember me?
I'm everything you can't control
Somewhere beyond the pain
There must be a way to believe
We can break through
(Remember who you really are)
Do what you what you want
