Lithium by Evanescence

Lithium, don't (1)_____ to lock me up inside

Lithium, don't want to forget how it feels without

Lithium, I want to stay in love with my sorrow

(Oh) but God I want to let it go

Come to bed, don't make me sleep alone

Couldn't hide the emptiness, you let it show

Never wanted it to be so cold

Just didn't drink enough to say you love me

I can't hold on to me

Wonder what's wrong with me

Lithium, don't want to (2)_____ me up inside

Lithium, don't want to forget how it feels without

Lithium, I (3)_____ to stay in (4)_____ with my sorrow

...

Don't want to let it lay me down this time

Drown my will to fly

Here in the darkness I know myself

Can't break (5)_____ until I let it go

Let me go

Darling, I forgive you after all

Anything is better than to be alone

And in the end I guess I had to fall

Always find my place among the ashes

I can't hold on to me

Wonder what's wrong (6)_____ me

Lithium, don't want to lock me up inside

Lithium, don't want to forget how it feels without

Lithium, (7)_____ in (8)_____ with me

(Oh) I'm gonna let it go

Answer

1. want
2. lock
