

Where I can run

Fill in the gaps

I'm lying here on the (1) (2) you	(Just as fast as I can)
left me	(To the (16) of nowhere)
I think I took too much	To the middle of my frustrated, (17)
I'm crying here, what have you done?	fears
I thought it would be fun	And I swear you're just like a pill
I can't stay on your (3) support	Instead of making me better
There's a (4) in (the switch)	You keep making me ill
I can't stay on your morphine	You keep making me ill
Cuz its making me itch	Run just as fast as I can
I said I tried to call the nurse again	To the middle of nowhere
But she's being a little (bitch)	To the (18) of my frustrated fears
I think I'll get (5) here	And I swear you're (19) like a pill
Where I can run	Instead of making me better
Just as (6) as I can	You keep making me ill
To the middle of nowhere	You (20) making me
To the middle of my frustrated fears	I can't stay on your life support
And I swear you're just (7) a pill	There's a shortage in the switch
Instead of making me better	I can't (21) on your morphine
You (8) making me ill	Cuz its (22) me itch
You keep making me ill	I said I tried to call the (23) again
	But (24) being a (25) bitch
I haven't (9) (10) the spot where you	I think I'll get outta here
(11) me	Where I can run
This must be a bad trip	(Just as (26) as I can)
All of the other pills, they (12) different	(To the middle of nowhere)
Maybe I (13) get some help	To the middle of my frustrated fears
I can't stay on your life support	And I swear you're just like a pill
There's a shortage in the switch	Instead of making me better
I can't (14) on your morphine	You keep (27) me
Cuz its making me itch	making me, making me ill
I said I tried to (15) the nurse again	
But shes being a little bitch	
I think I'll get outta here
