

## Fill in the gaps

I'm lying here on the (1) where you left r
I think I took too much
I'm crying here, what have you done?
I thought it would be fun
I can't stay on your life support
There's a (2) in (the switch)
I can't stay on your morphine
Cuz its making me itch
I said I (3) to call the nurse again
But she's being a little (bitch)
I think I'll get outta here
Where I can run
Just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of (4) me better
You keep making me ill
You keep making me ill
I haven't moved from the spot where you left me
I haven't moved from the spot where you left me This must be a bad trip
