

## Fill in the gaps

I don't mind it	Right
I don't mind at all	No I don't believe you
It's like you're the swingset	When you say don't (9) around (10) no
And I'm the kid that falls	more
It's like the way we fight	I won't remind you
The (1) I cry	You said we wouldn't be apart
We (2) to blows	No I don't (11) you
And every night	When you say you don't (12) me anymore
The passion's there	So don't pretend to
So it's gotta be right	Not love me at all
Right	Just don't (13) there and (14) me
No I don't believe you	fall
When you say don't (3) around here no more	Cause I cause I still don't (15) it at all
I won't (4) you	It's (16) the way we fight
You said we wouldn't be apart	The (17) I cry
No I don't (5) you	We come to blows
When you say you don't need me anymore	And (18) night
So don't pretend to	The passion's there
Not love me at all	So it's gotta be right
I don't mind it	Right
Still don't mind at all	No I don't believe you
It's (6) one of those bad dreams	When you say don't come (19) here no more
When you can't (7) up	I won't (20) you
Looks like	You said we wouldn't be apart
You've given up	No I don't (21) you
You've had enough	When you say you don't need me anymore
But I (8) more	So don't pretend to
No I won't stop	Not love me at all
Cause I just know	I don't believe you
You'll come around
