

## Fill in the gaps

I dance around this empty house	I'm gonna burn it down, down, down
Tear us down	This (13) to be a funhouse
Throw you out	But now it's full of evil clowns
Screaming down the halls	It's time to (14) the countdown
Spinning all (1) and now we fall	I'm (15) burn it down, down, down
Pictures framing up the past	I'm gonna (16) it down
Your taunting (2) (3) the glass	Nine, eight, seven
This (4) (5) of ash	Six, five, four, three, two, one
Once a tickle	Fun
Now a rash	Oh
This used to be a funhouse	I'm crawling through the doggy door
But now it's full of evil clowns	My key don't fit my life no more
It's (6) to start the countdown	I'll change the drapes
I'm (7) burn it down, down, down	I'll (17) the plates
I'm gonna (8) it down	I'll (18) a new place
Nine, eight, seven	Burn (19) fucker down
Six, five, four, three, two, one, fun	(Do do do do dodo do)
Echoes knocking on locked doors	(Do do do do dodo do)
All the (9) from before	(Do do do do dodo do)
I'd rather live out on the street	(Do do do dadadada)
Than in this haunted memory	Nine, eight, seven
I've called the movers	Six, five, four, three, two, one
Called the maids	This used to be a funhouse
We'll try to exorcise this place	But now it's (20) of evil clowns
Drag my mattress to the yard	It's (21) to (22) the countdown
Crumble tumble	I'm (23) burn it down, down, down
This used to be a funhouse	I'm gonna (24) it down
But now it's (10) of (11) clowns	
It's (12) to start the countdown
