

## Fill in the gaps

This time, (1) place	So far away (So far away)
Misused, mistakes	Been far away for far too long
Too long, too late	So far away (So far away)
Who was I to make you wait?	Been far away for far too long
Just one chance, (2) one breath	But you know
Just in case there's just one left	You know
'Cause you know, you know, you know	You know
That I love you	I wanted
I have loved you all along	I wanted you to stay
And I miss you	Cause I needed
Been far (3) for far too long	I (11) to hear you say
I keep dreaming you'll be with me	That I love you
And you'll (4) go	I have (12) you all along
Stop breathing if I don't see you anymore	And I forgive you
On my knees, I'll ask	For been away for far too long
Last chance for one (5) dance	So keep breathing
'Cause with you, I'd withstand	Cause I'm not leaving you anymore
All of hell to hold your hand	Believe and hold on to me and, never let me go
I'd (6) it all	Keep breathing
I'd give for us	Cause I'm not (13) you anymore
Give anything but I won't give up	Believe it hold on to me and
'Cause you know, you know, you know	Never let me go
That I love you	Keep breathing, (14) on to me
That I loved you all along	And never let me go
I miss you	Keep breathing, (15) on to me
Been far (7) for far too long	And never let me go
I keep (8) you'll be with me	
And you'll (9) go	
Stop (10) if I don't see you anymore
