SUB inglés

Baby there's a price to pay I'm a genie in a bottle

Fill in the gaps

Genie In A Bottle by Christina Aguilera

I feel like I've been locked up tight	You gotta rub me the right way
For a century of lonely nights	If you wanna be with me
Waiting for someone to release me	I can make your wish come true
You're licking your lips	Just come and set me (6) baby
And blowing kisses my way	And I'll be with you
But that don't mean I'm gonna give it away	I'm a genie in a bottle baby
Baby, baby, (1) (baby, baby, baby)	You gotta rub me the right way honey
(Ooooh)	I'm a genie in a bottle baby
My body's (2) let's go	Come, come, come on and let me out
(Ooooh)	I'm a genie in a bottle baby
But my heart is saying no	Gotta rub me the right way honey
If you wanna be with me	(If you (7) be with me)
Baby there's a price to pay	I'm a genie in a bottle baby
I'm a genie in a bottle	Come, come, come on and let me out
You gotta rub me the right way	(Ooooh)
If you wanna be with me	My body's saying let's go
I can make your wish come true	(Ooooh)
You (3) (4) a big impression	But my heart is saying no
I (5) like what you do	If you wanna be (8) me
I'm a genie in a bottle baby	Baby there's a price to pay
Gotta rub me the right way honey	I'm a genie in a bottle
I'm a genie in a bottle baby	You gotta rub me the right way
Come, come, come on and let me out	If you wanna be with me
The music's fading	I can make your wish come true
The light's down low	You gotta make a big impression
Just one more dance	I gotta like what you do
And then we're good to go	If you wanna be with me
Waiting for someone	Baby there's a price to pay
Who needs me	I'm a genie in a bottle
Hormones racing at the speed of light	You gotta rub me the (9) way
But that don't mean it's gotta be tonight	If you wanna be with me
Baby, baby, baby (baby, baby, baby)	I can make your (10) come true
(Ooooh)	Just come and set me free baby
My body's saying let's go	And I'll be with you
(Ooooh)	I'm a genie in a bottle baby
But my heart is saying no	Come, come, come on and let me out
If you wanna be with me	

- 1. baby
