We Belong Together by Mariah Carey

(Ohhh)	If you think you're lonely now
(Ohhh ohhh)	Wait a (14) (15) is too deep (too
Sweet love	deep)
(Yeah)	I gotta change the (16) so
I didn't mean it	I turn the dial
When I said	Trying to catch a break
I didn't (1) you so	And then I (17) babyface
I should have held on tight	I only think of you
I never should a let you go	And it's breaking my heart
I didn't know nothing	I'm trying keep it together
I was stupid	But I'm falling apart
I was foolish	I'm feeling all out of element
I was lying to myself	I'm (18) things, crying
I could not fathom	And trying to figure out (19) hell I went
That I would (2) be without your love	Wrong the pain reflected
Never imagined I'd be (3) here beside	In this (20) it ain't even (21) of what
myself	I'm feeling inside
'Cause I didn't (4) you	I need you, need you (22) in my life
'Cause I didn't know me	Baby
But I thought I (5) everything	When you left
I never felt	I lost a part of me
The (6) (7) I'm feeling now	It's (23) so hard to believed
That I don't hear your voice	Come back baby
Or have your touch and kiss	Please 'cause
Your lips 'cause I don't have a choice	We belong together
(Oh) (8) I wouldn't	Who else am I gon' lean on when times get rough?
Give to have you lying	Who's gonna talk to me
By my side	On the phone 'til the sun comes up?
Right here	Who's gonna take your place
'Cause baby	There ain't (24) better
When you left	Oh baby, baby
I lost apart of me	We belong together baby
It's still so (9) to believed	When you left
Come back, baby	I (25) a part of me
Please 'cause	It's still so (26) to believed
We belong together	Come back baby
Who else am I gon' lean on when times get rough?	Please 'cause
Who's gonna talk to me	We belong together
On the (10) 'till the sun (11) up?	Who I'm gonna lean on when times get rough?
Who's gonna take your place?	Who's gonna (27) to me 'til the sun comes up?
There ain't nobody better	Who's (28) take your place
Oh baby, baby	There ain't nobody better
We (12) together	Oh, baby, baby
I can't (13) at night	We belong together
When you are on my mind	We belong together
