

## Fill in the gaps

Cold and frosty morning	In the time of my life
There's not a lot to say	Cos I need more time
About the things (1) in my mind	Yes I need more time just to make things right
And as the day was dawning	Me and you what's going on
My plane (2) away	All we seem to know is how to show
With all the (3) caught in my mind	The feelings that I wrote
I don't wanna be there when your, (4) down	So don't go away
I don't wanna be ther when you hit the ground	Say what you say
So don't go away	Say that you'll stay
Say what you say	Forever and a day
Say that you'll stay	In the time of my life
Forever and a day	Cos I need more time
In the time of my life	Yes I need (8) time (9) to make things
Cos I need more time	right
Yes I need more time just to (5) things right	And don't go away
Damn my situation and the games I (6) to play	Say what you say
With all the things caught in my mind	Say that you'll stay
Damn my education I can't find the words to say	Forever and a day
With all the things caught in my mind	In the time of my life
I don't wanna be there when your coming down	Cos I need more time
I don't wanna be there when you hit the ground	Yes I need more time just to make things right
So don't go away	Yes I need more time just to make things right
Say (7) you say	Yes I need (10) time just to make things right
Say that you'll stay	So don't go away
Forever and a day
