

Fill in the gaps

Cold and frosty morning	In the time of my life
There's not a lot to say	Cos I (18) more time
About the things (1) in my mind	Yes I need more time just to make things right
And as the day was dawning	Me and you what's going on
My (2) (3) away	All we (19) to know is how to show
With all the (4) caught in my mind	The feelings that I wrote
I don't wanna be (5) (6) your,	So don't go away
(7) down	Say what you say
I don't wanna be ther when you hit the ground	Say that you'll stay
So don't go away	Forever and a day
Say what you say	In the time of my life
Say that you'll stay	Cos I need more time
Forever and a day	Yes I need more time just to make things right
In the time of my life	And don't go away
Cos I need more time	Say what you say
Yes I need (8) time just to make things right	Say that you'll stay
Damn my situation and the games I have to play	Forever and a day
With all the (9) in my	In the time of my life
mind	Cos I need (20) time
Damn my education I can't find the words to say	Yes I (21) more (22) just to make
With all the (11) caught in my mind	(23) right
I don't (12) be (13) (14)	Yes I need more time (24) to (25)
your (15) down	things right
I don't wanna be there (16) you hit the ground	Yes I need (26) time just to make
So don't go away	(27) right
Say what you say	So don't go away
Say (17) you'll stay	
Forever and a day
