

#### Drop The World by Lil Wayne & Eminem

'ma drop it on your ****** head	
Hate in my heart  Love in my mind  seen nights full of pain  Days of the same  You keep the sunshine  Save me the rain  search but never find  Hurt but never cry  work and forever try  But I'm cursed so never mine  And it's worse but better times  Seems (1) and beyond  The top gets higher the more that I climb  The spot gets smaller and I get bigger  Tryna get me where I fit in  No room for a ***** but soon for a ***** it be on  ***********************************	got ice in my veins

	'm gone, ********
know what (5) don't wanna tell you	'm gone
	know what (5) don't wanna tell you

I'll wake up in the world and cut the (6) off			
And confidence is a stain (7) can't wipe off			
(Uh) My word is my pride			
But wisdom is bleak and (8) a word from the wise			
Served to survive, (9) and bribe			
And when it got too heavy I put my burden aside			
So I pick the world up and			
I'ma drop it on your ****** head			
(Haha! Yeah) *****			
I'ma (10) the world up and			
I'ma drop it on your ****** head			
Yeah, and I can die no rebirth now *********			
Hop up in my spaceship and leave earth ************************************			
I'm gone, *********			
I'm gone			
I'm gone			
It hurts but never show			
Its pain you'll never know			
If only you can see just how lonely and how cold			
And (11) I've become			
My back's against the wall			
When push come to shove			
I just stand up and scream **** em all			
Man it feels like these walls are closing in			
This (12) is caving in			
Oop its time to raise it then			
Your days are numbered like (13) in			
My book of rhymes got em cooking boy			
This crooked (14) of (15) got em all shook and s			

I (17) that ****** clock, I (18) t	the time and I			
Came up (19) behind				
And (20) much snuck up and ****-*****	k			
This game up				
Better be careful when you (21) my name	up			
**** this fame that aint what				
I came to claim, but the game ain't gonna be the same				
On the day that I (22) it				
But I swear one way or another				
I'm gonna make these ****** haters believe that				
I swear to God				
Won't spare the rod, I'm a man of my word				
So your ****** heads better nod				
Or I'ma gonna **** around in this *****				
And roast everybody				
Sleep on me that pillar is where (23) head'll lie				
Permanetly ***** its beddy bye				
This world is my easter egg, yeah, prepare to die				
My (24) is swoll				
My confidence is up				
This stage is my pedastal				
I'm unstoppable, The (25) Hu	ılk			
You're trapped in my medicine ball				
I can run circles around you so fast your				
****** head'll spin dogg				
I'll split your cabbage and your lettuces and				
Olives (26) ******				
So I pick the world up and				
I'ma drop it on your ****** head				

I'ma drop it on (27) (28)	) head
Yeah, and I can die no rebirth now	******
Hop up in my (29)	and leave earth *********
I'm gone, ********	
I'm gone	
I'm gone
