Your Love by The Outfield

Fill in the gaps

Josie's on her (1) far away
Coverin' and talkin' over
So many things that I (2) say
You know I like my girls a little bit older
I just (3) use your love, tonight
I don't wanna lose your love, tonight
I ain't got many friends left to talk to
No one's around when I'm in trouble
You know I'd do anything for you
Stay the night but keep it undercover
I just wanna use (4) love, tonight (yeah)
I don't (5) your love, tonight
I tried to stop my hands from shaking
Something in my mind's not making sense
It's been awhile since we've (7) all alone

I can't hide the way I'm feeling
I can't hide the way I'm feeling
I can't hide the way I'm feeling As you leave the place, would you (8) the door?
I can't hide the way I'm feeling As you leave the place, would you (8) the door? And don't forget what I told you
I can't hide the way I'm feeling As you leave the place, would you (8) the door? And don't forget what I told you Just 'cause you're right that don't mean I'm wrong
I can't hide the way I'm feeling As you leave the place, would you (8) the door? And don't forget what I told you Just 'cause you're right that don't mean I'm wrong Another shoulder to cry upon
