

I lie awake at night

Fill in the gaps

To reach out for you in time

See things in (1) and white	Oh my pretty pretty boy I (12) you
I've only got you (2) my mind	Like I never ever loved no one (13) you
You know you (3) made me blind	Pretty pretty boy of mine
I lie awake and pray	Just (14) me you love me too (tell me you love me
That you will look my way	too)
I (4) all this (5) in my heart	Oh my pretty pretty boy
I knew it right from the start	I need you
Oh my pretty pretty boy I love you	Oh my pretty (15) boy I do
Like I never ever loved no one (6) you	Let me inside
Pretty pretty boy of mine	Make me (16) right beside you
Just tell me you (7) me too	Oh pretty boy (17) boy
Oh my pretty pretty boy	(18) boy
I need you	Say you love me too
Oh my pretty pretty boy I do	Oh my pretty pretty boy I (19) you
Let me inside	Like I never ever (20) no one before you
Make me stay right beside you	Pretty pretty boy of mine
l used to write (8) name	Just (21) me you (22) me too (tell me
And put it in a frame	you love me too)
And sometimes I (9) I hear you call	Oh my pretty (23) boy
Right (10) my bedroom wall	I (24) you
You stay a (11) while	Oh my pretty pretty boy I do
And touch me with your smile	Let me inside
And what can I say to make you mine	Make me stay right beside you
