

## Fill in the gaps

I know you think that I shouldn't still love you	which i'm sure we will
Or tell you that	All that was there
But if I didn't say it, well I'd still (1) felt it	Will be there still
Where's the sense in that?	I'll let it pass
I (2) I'm not trying to make your life harder	And hold my tongue
Or return to where we were	And you will think
But I (3) go down with this ship	That I've moved on
And I won't put my hands up and surrender	I will go (8) with (9) ship
There will be no white flag above my door	And I won't put my hands up and surrender
I'm in love and always will be	There will be no white flag above my door
I know I left too much (4) and	I'm in love and always will be
Destruction to come back again	I will go down with this ship
And I caused nothing but trouble	And I won't put my hands up and surrender
I understand if you can't talk to me again	There will be no white flag above my door
And if you live by the rules of "it's over"	I'm in love and always will be
Then I'm sure that that makes sense	But I will go down (10) this ship
But I (5) go down with (6) ship	And I won't put my hands up and surrender
And I won't put my hands up and surrender	There will be no white flag above my door
There will be no white flag (7) my door	I'm in love (and always will be)
I'm in love and always will be	
And when we meet
