

And when we meet

Fill in the gaps

I know you think that I shouldn't still (1) you	Which I'm sure we will
Or tell you that	All that was there
But if I didn't say it, well I'd still have felt it	Will be (7) still
Where's the (2) in that?	I'll let it pass
I (3) I'm not trying to make your life harder	And hold my tongue
Or return to where we were	And you will think
But I will go down with this ship	That I've moved on
And I won't put my hands up and surrender	I will go down with this ship
There will be no white flag (4) my door	And I won't put my (8) up and surrender
I'm in love and (5) will be	There will be no white flag above my door
I know I left too much mess and	I'm in love and always will be
Destruction to come (6) again	I will go down with this ship
And I caused nothing but trouble	And I won't put my hands up and surrender
I understand if you can't talk to me again	There will be no white flag above my door
And if you live by the rules of "it's over"	I'm in love and always will be
Then I'm sure that that makes sense	But I will go down with (9) ship
But I will go down with this ship	And I won't put my hands up and surrender
And I won't put my hands up and surrender	There will be no (10) flag above my door
There will be no white flag above my door	I'm in love (and always will be)
I'm in love and always will be
