Our December by Thriving Ivory

I could see snow cover hills
You were walking, I was standing still
I could feel the cold on my face
And we were talking like always
I could touch snow covered leaves
You were walking closer to me
I would play you a song out loud
Yeah, we could sing it 'till the year runs out
I remember streets covered white
And I remember a long tonight
Said our (1)_____ will be littered with light
And I see you walking to me
We were holding future in hand
A place to fly and a place to land
Now our December will be sure to last
I (2)_____ there'll be no rush for the year to pass
I remember streets (3)_____ white
And I (4)_____ a long tonight

Said our December will be littered with light
And I see you walking to me
I could see snow (5)_____ hills
And all at (6)_____ my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember (7)_____ covered white
And I remember a long tonight
Said our December (8)_____ be (9)_____
with light
And I see you walking to me
I remember streets covered white
And I (10)_____ a long tonight
Said our December will be littered with light
And I see you walking to me
I see you walking to me
