Our December by Thriving Ivory

I could see snow cover hills
You were walking, I was standing still
I could feel the cold on my face
And we were talking (1)_____ always
I could touch (2)_____ covered leaves
You were walking closer to me
I would play you a song out loud
Yeah, we (3)_____ sing it 'till the year runs out
I remember streets (4)_____ white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
We were (5)_____ future in hand
A place to fly and a place to land
Now our December will be sure to last
I (6)_____ there'll be no rush for the year to pass
I remember streets covered white
And I remember a long tonight

Said our December will be littered with light
And I see you walking to me
I could see snow covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a (7)_____ tonight
Said our December will be littered with light
And I see you walking to me
I remember streets covered white
And I remember a long tonight

And I see you walking to me
