Right Where You Want Me To Be by A Day To Remember

This is the (1) (2) in a long time	And not come back 'til (15) fall
That (3) (4) like (5)	Everyone knows that you've got me
home for the holidays	Right (16) you want me to be
Everybody's rushing about	What (17) (18) this year
Why (6) anybody hear me out?	It was the (19) times
My money's low	(It was the worst times)
So instead I'll (7) you a song everyone	But we built something here
(8) know	Looking back on (20) we've done this year
Everyone will know	It was the best times
So here it goes	(It was the worst times)
Can you hear me?	But we built something here
I write so much and it makes me sick	Can you hear me?
That is all	I write so much and it makes me sick
About you	That is all
Lets drop everything	About you
And not come (9) 'til next fall	Lets drop everything
Everyone knows (10) you've got me	And not come back (21) next fall
Right where you want me to be	Everyone knows that you've got me
I'm coming home for the bright lights	Right where you want me to be
And the long nights	Can you hear me? (can you hear me?)
Driving around with your friends in your parents car	I write so much and it makes me sick
We're the (11) who (12) it out	That is all
We're the ones who they'll talk about	About you
My money's low	Lets drop (22) (lets drop everything)
So instead (13) write you a song everyone will	And not (23) back 'til next fall
know	Everyone knows (24) you've got me
Everyone will know	Right (25) you want me to be
So here it goes	
Can you hear me?	
I write so much and it (14) me sick	
That is all
