About you

Lets drop everything

#### Fill in the gaps

### Right Where You Want Me To Be by A Day To Remember

| This is the first time in a (1) time                 | And not come back 'til (8) fall             |
|--|---|
| That I've felt like coming home for the holidays     | Everyone knows that you've got me           |
| Everybody's rushing about                            | Right where you want me to be               |
| Why won't anybody hear me out?                       | What we've done this year                   |
| My money's low                                       | It was the best times                       |
| So instead (2) write you a song                      | (It was the worst times)                    |
| (3) will know  | But we built something here                 |
| Everyone (4) know                                    | Looking back on what we've done this year   |
| So here it goes                                      | It was the best times                       |
| Can you hear me?                                     | (It was the worst times)                    |
| I write so much and it makes me sick                 | But we built something here                 |
| That is all  | Can you hear me?                            |
| About you  | I write so much and it makes me sick        |
| Lets drop everything                                 | That is all                                 |
| And not come back 'til next fall                     | About you                                   |
| Everyone knows that you've got me                    | Lets drop everything                        |
| Right (5) you want me to be                          | And not come back 'til next fall            |
| I'm coming home for the (6) lights                   | Everyone knows that you've got me           |
| And the long nights                                  | Right where you want me to be               |
| Driving around with your friends in your parents car | Can you hear me? (can you hear me?)         |
| We're the ones who made it out                       | I (9) so much and it makes me sick          |
| We're the ones who they'll talk about                | That is all                                 |
| My money's low                                       | About you                                   |
| So instead I'll write you a song everyone will know  | Lets drop everything (lets drop everything) |
| Everyone will know                                   | And not (10) back 'til next fall            |
| So here it goes                                      | Everyone knows that you've got me           |
| Can you (7) me?                                      | Right where you want me to be               |
| I write so much and it makes me sick                 |   |
| That is all  |   |

- 1. long
- 2. I'll
- 3. everyone
- 4. will
- 5. where
- 6. bright
- 7. hear
- 8. next
- 9. write
- 10. come
