Sober by Tool

There's a shadow just behind me
Shrouding every step I take
Making every promise empty
Pointing every finger at me
Waiting like the stalking butler
Whom (1)_____ the finger rests
Murder now the path called "must we"
Just because the Son has come
Jesus, won't you fucking whistle
Something but what's (2)_____ and done?
Jesus, won't you fucking whistle
Something but what's past and done?
Why can't we not be sober?
I just want to start (3)_____ over
Why can't we drink forever?
I just want to start this over
I am (4)_____ a worthless liar
I am just an imbecile
I will only complicate you
Trust in me and fall as well
I will find a center in you
I will chew it up and leave
I (5)_____ work to elevate you
Just (6)_____ to bring you down
Mother Mary, won't you whisper
Something but what's past and done?
