Fill in the gaps

There's a shadow just behind me
Shrouding every (1)_____ I take
Making every (2)_____ empty
Pointing (3)_____ finger at me
Waiting like the stalking butler
Whom upon the finger rests
Murder now the path called "must we"
Just because the Son has come
Jesus, won't you fucking whistle
Something but what's past and done?
Jesus, won't you fucking whistle
Something but what's past and done?
Why can't we not be sober?
I just want to start this over
Why can't we drink forever?
I just want to start (4)_____ over
I am just a worthless liar
I am just an imbecile
I will only complicate you
Trust in me and fall as well
I will find a center in you
I will chew it up and leave
I will work to elevate you
Just enough to (5)_____ you down
Mother Mary, won't you whisper
Something but what's past and done?

Something but what's past and done?
Why can't we not be sober?
I just want to start this over
Why can't we sleep forever?
I just want to (6)_____ this over

I am (7)_____ an imbecile
I will only complicate you
