The Remedy by Jason Mraz

Fill in the gaps

Well I saw fireworks from the freeway	The remedy is the experience
And behind closed (1) I cannot make them go	This is a dangerous liaison
away	I say the comedy, is that it's serious
'Cause you were born on the fourth of july, freedom ring	This is a strange enough new play on words
Now something on the surface it stinks	I said the tragedy is how you're gonna spend
I said something on the surface	The rest of your nights with the light on
Really kind of makes me nervous	So shine the light on all of your friends
Who says that you deserve this	When it all amounts to nothing in the end
And what kind of god would serve this?	I won't worry my (10) away (ee oooh)
We will cure this (2) old disease	I won't worry my life away (ee oooh)
Well if you gots the poison, I've gots the remedy	When I fall in love
The remedy is the experience	I take my time
It is a dangerous liaison	There's no need to hurry when I'm making up my mind
I say the comedy, is that it's serious.	You can turn off the sun
This is a strange (3) new play on words	But I'm still gonna shine and I'll tell you why
I (4) that (5) is how you're	Because the remedy is the experience
gonna spend	This is a dangerous liaison
The rest of (6) nights with the light on	I say the comedy, is that it's serious
So shine the light on all of your friends	This is a strange enough new play on words
When it all amounts to nothing in the end	I said the tragedy is how you're gonna spend
I won't worry my (7) away (ee oooh)	The rest of your nights with the light on
I won't worry my life away (ee oooh)	So shine the light on all of your friends
Well, I heard two men talking on the radio	When it all amounts to nothing in the end
In a cross (8) kind of new reality show	I won't worry my life away (ee oooh)
Uncovering the ways to plan the (9) big attack	I won't worry my life away (ee oooh)
Where they were counting down the ways to stab	I won't worry my life
The brother in the be right back after this	I won't worry my life away (ee oooh)
The unavoidable kiss, with the minty fresh	
Death breath sure to outlast this catastrophe	
Dance with me	
'Cause if you gots the poison	
I've gots the remedy
