Well I saw fireworks from the freeway	The remedy is the experience
And behind closed eyes I cannot make them go away	This is a dangerous liaison
'Cause you were born on the fourth of july,	I say the comedy, is that it's serious
(1) ring	This is a strange enough new play on words
Now something on the surface it stinks	I said the tragedy is how you're gonna spend
I said something on the surface	The rest of your nights (7) the light on
Really kind of makes me nervous	So shine the light on all of your friends
Who says that you deserve this	When it all amounts to nothing in the end
And what kind of god would serve this?	I won't (8) my life away (ee oooh)
We will cure this dirty old disease	I won't worry my life away (ee oooh)
Well if you gots the poison, I've gots the remedy	When I (9) in love
The remedy is the experience	I take my time
It is a dangerous liaison	There's no need to hurry when I'm making up my mind
I say the comedy, is that it's serious.	You can turn off the sun
This is a strange (2) new play on words	But I'm still gonna shine and I'll tell you why
I said that tragedy is how you're gonna spend	Because the remedy is the experience
The rest of your (3) with the light on	This is a dangerous liaison
So shine the light on all of your friends	I say the comedy, is that it's serious
When it all amounts to nothing in the end	This is a strange enough new play on words
I won't worry my life away (ee oooh)	I said the tragedy is how you're gonna spend
I won't worry my life away (ee oooh)	The rest of your (10) with the light on
Well, I heard two men talking on the radio	So shine the light on all of your friends
In a cross fire kind of new (4) show	When it all amounts to nothing in the end
Uncovering the ways to plan the next big attack	I won't worry my life away (ee oooh)
Where they were counting down the ways to stab	I won't worry my life away (ee oooh)
The brother in the be right (5) after this	I won't worry my life
The unavoidable kiss, with the minty fresh	I won't worry my life away (ee oooh)
Death breath sure to outlast this catastrophe	
Dance (6) me	
'Cause if you gots the poison	
I've gots the remedy
