

| (I'm not afraid yeah, to take a stand)                        |
|---|
| It's been a ride  |
| (Everybody)   |
| I guess I had to (come take my hand)                          |
| Go to that place  |
| To get to this one (we'll walk this road together)            |
| Now some of you (through the storm)                           |
| Might still be in that place (whatever weather, cold or warm) |
| If you're trying to get out (just letting you know that)      |
| (You're not alone)  |
| Just follow me  |
| (Holla if you feel that you've been (1) the same road)        |
| I'll get you there  |
| You can try and read my lyrics off of this paper              |
| Before I lay them   |
| But you won't take the (2) out these words                    |
| Before I say them   |
| Cause ain't no way  |
| I'ma let you stop me from causing mayhem                      |
| When I say them or do something I do it                       |
| I don't give a damn what you think                            |
| I'm doing this for me, so fuck the world                      |
| Feed it beans, it's gassed up if it thinks it's stopping me   |
| I'ma be what I set out to be without a doubt undoubtedly      |
| And all those who look down on me                             |
| I'm tearing down your balcony                                 |
| No if ands or buts don't try to ask him why or how can he     |
| From Infinite down to the last Relapse album                  |
| He's still shitting whether he's on salary, paid hourly       |

# SUB inglés

| Ingles   |
|--|
| Until he bows out or he shits his bowels out of him          |
| Whichever comes first, for better or worse                   |
| He's married to the game, like a fuck you for Christmas      |
| His gift is a curse, forget the earth he's got the urge      |
| To pull his dick from the dirt and fuck the whole universe   |
| I'm not afraid (I'm not afraid)                              |
| To take a stand (to take a stand)                            |
| Everybody (everybody)  |
| Come take my hand (come take my hand)                        |
| We'll walk this road together, through the storm             |
| Whatever weather, cold or warm                               |
| Just letting you know that, you're not alone                 |
| Holla if you feel that (you've been down the same road)      |
| Ok, quit playing with the scissors and shit and cut the crap |
| I shouldn't have to rhyme these words                        |
| In the rhythm for you to know it's a rap                     |
| You said you was king, you lied through your teeth           |
| For that (3) your feelings                                   |
| Instead of getting crowned, you're getting capped            |
| And to the fans, I'll never let you down again, I'm back     |
| I promise to never go back on (4) promise                    |
| In fact, let's be honest, that last Relapse CD was ("ehhhh") |
| Perhaps I ran them accents into the ground                   |
| Relax, I ain't going (5) to that now                         |
| All I'm tryna say is get back, (click-clack blaow!)          |
| Cause I ain't playing around                                 |
| There's a game called circle and I don't know how            |
| I'm way too up to back down                                  |
| But I think I'm still tryna figure this crap out             |
| Thought I had it mapped out but I guess I didn't             |

## Fill in the gaps

| These fucking black clouds still follows me around    |
|---|
| But it's time to exercise these demons                |
| These motherfuckers are doing jumping jacks now!      |
| I'm not afraid (I'm not afraid)                       |
| To take a stand (to (6) a stand)                      |
| Everybody (everybody)                                 |
| Come take my hand (come take my hand)                 |
| We'll walk (7) road together, through the storm       |
| Whatever weather, cold or warm                        |
| Just letting you know that, you're not alone          |
| Holla if you feel that you've been down the same road |
| And I just can't keep living this way                 |
| So starting today, I'm breaking out of this cage      |
| I'm standing up, I'ma face my demons                  |
| I'm manning up, I'ma hold my ground                   |
| I've had enough, now I'm so fed up                    |
| Time to put my (8) back together right now            |
| It was my decision to get clean, I did it for me      |
| Admittedly I probably did it subliminally for you     |
| So I could come back a brand new me                   |
| You helped see me through                             |
| And don't even realise what you did, believe me you   |
| I been through the ringer                             |
| But they can do little to the (9) finger              |
| I think I got a tear in my eye                        |
| I feel like the king of my world                      |
| Haters can make like bees with no stingers            |
| And drop dead, no more beef flingers                  |
| No more drama from now on, I'm gonna promise          |
|   |

To focus solely on handling my responsibilities as a father

#### So I solemnly swear to always treat

This roof like my daughters and (10)\_\_\_\_\_\_\_ it

You couldn't lift a single shingle lonely

Cause the way I feel, I'm strong enough to go to the club

Or the corner pub and lift the whole liquor counter up

Cause I'm raising the bar, I shoot for the moon

But I'm too busy gazing at stars, I feel amazing and

I'm not afraid... (I'm not afraid)

To take a stand... (to take a stand)

Everybody... (everybody)

Come take my hand... (come take my hand)

We'll walk this road together, through the storm

Whatever weather, cold or warm

Just letting you know that, you're not alone

Holla if you feel that you've been down the same road
