

Fill in the gaps

I wish I had an angel	Burning (13) (14) to dust
For one moment of love	I wish I had your angel tonight
I wish I had (1) angel tonight	Greatest thrill
Deep into a (2) day	Not to kill
I (3) a step outside	But to have the prize of the night
An innocent heart	Hypocrite
Prepare to hate me fall (4) I may	Wannabe friend
This (5) will hurt you like never before	13th disciple who betrayed
Old (6) die hard	Me for nothing!
Old lies they die harder	Last dance, (15) kiss
I wish I had an angel	Your touch, my bliss
For one moment of love	Beauty (16) comes
I (8) I had (9) angel	With (17) thoughts
Your Virgin (10) undone	I (18) I had an angel
I'm in love with my lust	For one moment of love
Burning angel wings to dust	I (19) I had your angel
I wish I had your angel tonight	Your Virgin (20) undone
I'm going down so (11) and cruel	I'm in love (21) my lust
Drunken disguise changes all the rules	Burning angel wings to dust
Old loves they die hard	I wish I had your angel tonight
Old lies they die harder	I wish I had an angel
I wish I had an angel	I (22) I had an angel
For one moment of love	I wish I had an angel
I wish I had your angel	I wish I had an angel
Your (12) Mary undone	
I'm in love with my lust
