The walls I built are crumbling

Fill in the gaps

Tears Of The Dragon (Live) by Bruce Dickinson

For too long now	The water is moving
There were secrets in my mind	I'm slipping away
For too (1) now	I throw myself (12) the sea
There (2) things I should have said	Release the wave
In the darkness	Let it (13) over me
I was (3) for the door	To face the fear
To find a reason	I once believed
To find the time, the place, the hour	The tears of the dragon
Waiting for the winter sun	For you and for me
And the (4) light of day	Slowly I awake
The misty ghost of childhood fears	Slowly I rise
The pressure is building	The walls I built are crumbling
And I can't stay away	The (14) is moving
I (5) myself (6) the sea	I'm (15) away
Release the wave	I throw (16) into the sea
Let it (7) over me	Release the wave
To face the fear	Let it (17) (18) me
I (8) believed	To face the fear
The tears of the dragon	I once believed
For you and for me	The (19) of the dragon
Where I was	For you and for me
I had wings that couldn't fly	I throw myself (20) the sea
Where I was	Release the wave
I had (9) I couldn't cry	Let it (21) over me
My emotions	To face the fear
Frozen in an icy lake	I (22) believed
I couldn't feel them	The tears of the dragon
Until the ice (10) to break	For you and for me
I have no power (11) this	
You know I'm afraid
