

Fill in the gaps

Come (1) me	Don't you (12) feel my bones
We took a back road	On your bones?
We're gonna look at the stars	It's only natural
We took a (2) in my car	Don't you wanna (13) (14) me?
Down to the ocean	Don't you (15) feel my skin
It's only water and sand	On your skin?
And in the ocean we'll (3) hands	It's only natural
But I don't really like you	(I never had a lover)
Apologetically dressed in the best	(I never had soul)
But on a heartbeat glide	(and I (16) had a (17) time)
Without an answer	(I never got gold)
The thunder speaks for the sky	Don't you wanna come with me?
And on the cold, wet (4) I cry	Don't you (18) (19) my bones
And on the cold, wet (5) I cry	On your bones?
Don't you wanna come with me?	It's (20) natural
Don't you wanna feel my bones	Don't you wanna (21) with me?
On your bones?	Don't you (22) feel my skin
It's only natural	On your skin?
A cinematic vision ensued	It's only natural
Like the (6) dream	Don't you (23) come with me?
It's someone's calling?	Don't you wanna feel my bones
An angel whispers my name	On (24) bones?
But the message (7) is the same:	It's only natural
(Wait till tomorrow, you'll be fine)	Come and take a swim with me
But it's gone to the (8) in my mind	Don't you wanna feel my skin
I (9) hear them	On your skin?
When the dead of night	It's (25) natural
Comes calling to save me from this fight	
But they can never wrong this right	
Don't you wanna (10) (11) me?
