

Fill in the gaps

Aeons ago the legends tell we rode onward
Led astray by the northern (1) gods
Calm before the sun we came (2) the north
Horses roamed in the open landscapes
The scald sang to their kings
Only he who battle wins
The scald sang to their kings
Let the battle we fought to be won
Tremble with fear for the (3) of our kings
War now calls heed to the battle
Hear our swords clinging in the wind
Men cast from their (4) horses (5) and scream
Descendants of (6) and the (7) of fear
bescendants of (0) and the (1) of leaf
The might we possess burn like fire
The might we possess burn like fire
The might we possess burn like fire The will remain in our northern hearts
The might we possess burn like fire The will remain in our northern hearts More (8) to be won an eye for an eye
The might we possess burn like fire The will remain in our northern hearts More (8) to be won an eye for an eye Aeons ago the (9) tell we rode onward
