My Friends Over You by New Found Glory

I'm drunk off your kiss
For another night in a row
This is becoming too (1)_____ for me
But I did not mean to lead you on
And it's all right to pretend
That we still talk
It's just for show, isn't it
It's my fault that it fell apart
Just maybe
You (2)_____ this
And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my (3)_____ over you
My friends over you
Please tell me everything
That you think that I should know
About all the plans you made
When I was (4)_____ to be found
And it's all right to forget
That we (5)_____ talk
It's just for fun, isn't it
It's my fault that it fell apart
Just maybe you need this
And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends (6)_____ you
My friends (7)_____ you
Just maybe you need this
You need this…
And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was (8)_____ long ago
Though you swear that you are true
I still pick my friends over...
You were everything I wanted
But I just can't finish what I've started
There's no room left (9)_____ on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you
My (10)_____ over you
