Like how you are the best thing in my world

And how I'm so proud to call you my girl

I understand that there's some problems

And I'm not too blind to know

All the pain you kept inside you

Even though you might not show

If I can't apologize for being wrong

Then it's just a shame on me

I'll be the reason for your pain

And you can put the blame on me

You can put the blame on me (4x)

Said you can put the blame on me (3x)

You can put the blame on me

I'm (11)_____ for the things that he put you through

When you would rather be home with all (13)_____ kids

As one big family with (14)_____ and bliss

And even though pops treated us like kings

He got a second wife and you didn't agree
