Sorry, Blame It On Me by Akon

Fill in the gaps

	I'm sorry that your son was once a thief
As life goes on I'm starting to learn more and more about	I'm sorry that I grew up way to fast
responsibility	I wish I would of listened and not be so bad
And I realize that everything I do is affecting the people	I'm sorry that your life turned out this way
around me	I'm sorry that the feds came and took me away
So I (1) to take this (2) out to apologize	I understand (7) there's some problems
for things that	And I'm not too blind to know
I've done things that haven't occurred yet	All the pain you kept inside you
and things that they don't want to take responsibility for	Even though you might not show
I'm sorry for the times that I left you home	If I can't apologize for being wrong
I was on the road and you were alone	Then it's just a shame on me
I'm sorry for the times that I had to go	I'll be the reason for your pain
I'm sorry for the fact that I did not know	And you can put the blame on me
That you were sitting home just wishing we	Said you can put the blame on me
Could go back to when it was just you and me	Said you can put the blame on me
I'm sorry for the times I would neglect	Said you can put the blame on me
I'm sorry for the times I disrespect	You can put the blame on me
I'm sorry for the wrong things that I've done	I'm sorry that it took so long to see
I'm sorry I'm not always there for my sons	But they were dead wrong trying to put it on me
I'm sorry for the fact that I'm not aware	I'm sorry that it took so long to speak
That you can't sleep at night when I am not there	But I was on tour with Gwen Stefani
Because I'm in the streets like everyday	I'm sorry for the hand that she was dealt
I'm sorry for the (3) that I did not say	And for the embarrassment that she felt
Like how you are the best thing in my world	She's just a little young girl trying to have fun
And how I'm so proud to call you my girl	But daddy should of never let her out that young
I understand that there's some problems	I'm sorry for Club Zen getting shut down
And I'm not too blind to know	I hope they manage better next time around
All the pain you kept inside you	How was I to know she was underage
Even though you (4) not show	In a 21 and older club they say
If I can't apologize for being wrong	Why doesn't anybody want to take blame
Then it's just a shame on me	Verizon backed out disgracing my name
I'll be the reason for your pain	I'm just a singer trying to entertain
And you can put the blame on me	Because I love my fans I'll take that blame
You can put the blame on me (4x)	Even though the blame's on you
Said you can put the blame on me (3x)	Even though the blame's on you
You can put the blame on me	Even though the blame's on you
I'm sorry for the things that he put you through	I'll take that blame (8) you
And all the times you didn't know what to do	And you can put that blame on me
I'm sorry that you had to go and sell (5) bags	And you can put that blame on me
Just trying to stay busy until you heard from dad	You can put that blame on me
When you would rather be home with all your kids	You can put that blame on me
As one big family with love and bliss	And you can put that (9) on me
And even though pops treated us like kings	And you can put (10) blame on me
He got a second wife and you didn't agree	
He got up and left you there all alone	
I'm sorry that you had to do it on your own	
I'm sorry that I (6) and added to your grief
