I wish I could tell you by ChiĀle Howl

I don't (1)_____ wear that (2)_____
It's just collecting dust
I see the lighter that we shared
It's just begun to rust
I should've let you know but she was so much better
But if I let you (3)_____ would that make you forget her?
I wish I (4)_____ tell you but I just run and hide
I wish I could (5)_____ you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I could find the words to say
We could move on, we could move on now
It gets a little hard to sleep knowing you were here
This other guy's good for me but you won't disappear
I lost my breath and stumbled over the idea of you
But it never caught up with the reality of what you do
I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I could find the words to say
We could (6)_____ on, we could move on now
You're playing with my mind

I'm sick of hearing you pretending you care
But never going to apologize
I know you're lying through your teeth
But you're swearing on your life
And there's no (7)_____ that I know
To (8)_____ you understand
I'm letting you go
I wish I could tell you but I (9)_____ run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I could find the words to say
We could move on, we could move on now
(10)_____ on, move on now
I wish I could tell you
