Nothing To Fear by Chris Rea

Fill in the gaps

I feel your heat in dusty whispers
The wind is cold around (1) moon
It's getting hard to keep our distance
I know your time is coming soon
Don't (2) your dream on my horizon
Don't take your (3) too far from home
Please don't forget we're not each other
Each soul has black thorns of his own
I see you dancing
Your song is clear
You've got to show me, got to show me
There's (4) to fear
Nothing to fear
Nothing to fear I (5) my (6) (7) you have yours
•
I (5) my (6) (7) you have yours
I (5) my (6) (7) you have yours So let us gaze (8) the feast
I (5) my (6) (7) you have yours So let us gaze (8) the feast In God's own name let's eat together
I (5) my (6) (7) you have yours So let us gaze (8) the feast In God's own name let's eat together In God's own name please (9) in peace
I (5) my (6) (7) you have yours So let us gaze (8) the feast In God's own name let's eat together In God's own name please (9) in peace See how our children play together
I (5) my (6) (7) you have yours So let us gaze (8) the feast In God's own name let's eat together In God's own name please (9) in peace See how our children play together While you and me we stand alone
I (5) my (6) (7) you have yours So let us gaze (8) the feast In God's own name let's eat together In God's own name please (9) in peace See how our children play together While you and me we stand alone I know we'll never be each other
I (5) my (6) (7) you have yours So let us gaze (8) the feast In God's own name let's eat together In God's own name please (9) in peace See how our children play together While you and me we stand alone I know we'll never be each other If I leave you leave me alone
I (5) my (6) (7) you have yours So let us gaze (8) the feast In God's own name let's eat together In God's own name please (9) in peace See how our children play together While you and me we stand alone I know we'll never be each other If I leave you leave me alone I see you dancing
