Compass by Lady Antebellum

Yeah, it's been a bumpy road
Roller coasters high and low
Fill the tank and drive the car
Pedal fast, (1)_____ hard
You won't (2)_____ to go that far
You want to give up because it's dark
We're really not that far apart
So let your heart sweetheart
Be your compass when you're lost
And you should follow it wherever it may go
When it's all said and done
You can walk instead of run
Because no matter what
You'll never be alone
Never be alone
Never be alone
(3)_____ directions on your way
Don't close your eyes don't be afraid
We (4)_____ be crazy late at night
I can't wait till you arrive
Follow stars you'll be alright
You want to give up because it's dark
We're really not that far apart
So let your heart sweetheart

Be your compass when you're lost
And you should follow it wherever it may go
When it's all said and done
You can walk instead of run
Because no matter what
You'll never be alone
Never be alone
Never be alone
You want to (5)_____ up because it's dark
We're (6)_____ not that far apart
So let (7)_____ heart sweetheart
Be your compass (8)_____ you're lost
And you (9)_____ follow it (10)_____
it may go
When it's all said and done you can walk instead of run
Because no matter what
You'll never be alone
Never be alone
Never be alone
When it's all said and done
You can walk instead of run
Because no matter what
You'll never be alone
