

## Fill in the gaps

| Found myself at your door                     |  |  |  |  |  |
|---|--|--|--|--|--|
| Just like all those times before              |  |  |  |  |  |
| I'm not sure how I got there                  |  |  |  |  |  |
| All roads, they lead me here                  |  |  |  |  |  |
| I (1) you at home, in (2) room,               |  |  |  |  |  |
| all alone                                     |  |  |  |  |  |
| And you open your (3) into mine               |  |  |  |  |  |
| And everything feels better                   |  |  |  |  |  |
| (4) before your eyes I'm breaking             |  |  |  |  |  |
| And fast, no reasons why                      |  |  |  |  |  |
| Just you and me                               |  |  |  |  |  |
| (5) is the last time I'm asking you this      |  |  |  |  |  |
| Put my name at the top of your list           |  |  |  |  |  |
| (6) is the (7) time I'm                       |  |  |  |  |  |
| (8) you why                                   |  |  |  |  |  |
| You break my heart in the (9) of an eye, eye, |  |  |  |  |  |
| eye   |  |  |  |  |  |
| You find yourself at my door                  |  |  |  |  |  |
| Just like all those times before              |  |  |  |  |  |
| You wear (10) best apology                    |  |  |  |  |  |
| But I was there to watch you leave            |  |  |  |  |  |
| And all the time to let you in                |  |  |  |  |  |
| Just for you to go again                      |  |  |  |  |  |
| Disappear when you come back                  |  |  |  |  |  |
| Everything is better                          |  |  |  |  |  |
| And right (11) your (12) I'm                  |  |  |  |  |  |
| breaking                                      |  |  |  |  |  |

| And fast, no  | where to hide     |              |               |         |  |
|---|-------------------|--------------|---------------|---------|--|
| Just you and  | d me              |              |               |         |  |
| This is the last time I'm asking you this           |                   |              |               |         |  |
| Put my nam  | e at the top of   | (13)         | list          |         |  |
| This is the (14) time I'm asking you why            |                   |              |               |         |  |
| You break my heart in the blink of an eye, eye, eye |                   |              |               |         |  |
| This is the   | last (15)         | you          | (16)          | me I've |  |
| got it wrong  |                   |              |               |         |  |
| This is the last time I say it's been you all along |                   |              |               |         |  |
| This is the la                                      | ast time I let yo | ou in my doo | or            |         |  |
| This is the last time I won't hurt you anymore      |                   |              |               |         |  |
| (17)  | is the last       | time I'm asl | king you this |         |  |
| Put my nam  | e at the top of   | your list    |               |         |  |
| This is the last time I'm asking you why            |                   |              |               |         |  |
| You (18) my heart in the blink of an eye            |                   |              |               |         |  |
| This is the la                                      | ast (19)          | I'm asl      | king you      |         |  |
| (20)  | (21)              | I'm (2       | 22)           | you     |  |
| (23)  | (24)              | I'm as       | king you this |         |  |
| This is the la                                      | ast time I'm asl  | king you     |               |         |  |
| (25)  | (26)              | I'm as       | sking you     |         |  |
| (27)  | time I'm as       | sking you th | is            |         |  |
|   |                   |              |               |         |  |
|   |                   |              |               |         |  |
|   |                   |              |               |         |  |
|   |                   |              |               |         |  |
