

## The last time by Taylor Swift

Found (1)\_\_\_\_\_ at your door  
Just like all those (2)\_\_\_\_\_ before  
I'm not sure how I got there  
All roads, they lead me here  
I imagine you at home, in your room, all alone  
And you open your eyes into mine  
And everything feels better  
Right before your eyes I'm breaking  
And fast, no reasons why  
Just you and me  
This is the last time I'm asking you this  
Put my name at the top of your list  
This is the last (3)\_\_\_\_\_ I'm asking you why  
You break my heart in the blink of an eye, eye, eye  
You find yourself at my door  
Just like all those times before  
You wear your best apology  
But I was there to watch you leave  
And all the time to let you in  
Just for you to go again  
Disappear when you come back  
Everything is better  
And right before your eyes I'm breaking
