

## Fill in the gaps

### American Rejects by The All

<em>-So... tell me about your mother- (en algunas versiones)

</em>Doctor, doctor, could you please just give me something

For the state I'm in?

I'm (1)\_\_\_\_\_ trouble and society believe

I got it wrong again

I'm one (2)\_\_\_\_\_ (3)\_\_\_\_\_

I don't (4)\_\_\_\_\_ I'm getting (5)\_\_\_\_\_ my predicament

But if I (6)\_\_\_\_\_ out of the window what would she say?

It's not on me, it's all on you

We can't deny the things we do

I can't believe her pretty feet

Walked over me, all (7)\_\_\_\_\_ me

Help me, help me doctor

It (8)\_\_\_\_\_ to be an awful lot for me to understand

I know I'm not a specimen

The troubles and the mess I'm in

I should be dead

He said, let's all think

Then you've had all your fun

It's time to be a man

So you better quit your bitc\*ing

Think about what the (9)\_\_\_\_\_ (10)\_\_\_\_\_ say

It's not on me, it's all on you

I can't (11)\_\_\_\_\_ what you want me to

You (12)\_\_\_\_\_ (13)\_\_\_\_\_ sleep, you (14)\_\_\_\_\_ leave

He walked over me, all over me

(15)\_\_\_\_\_ until tomorrow, and it's gone

So long

Wait until tomorrow, so long

And it's gone

Wait (16)\_\_\_\_\_ tomorrow

You beg and steal and borrow till it's gone

-He don't got a lot but he's got all he needs-

I need (17)\_\_\_\_\_ to love

-And all he's got well it's all that he needs-

Somebody help me (18)\_\_\_\_\_

I (19)\_\_\_\_\_ hear the voices in the tube

To get me through anything

I do and anything will do good by me

A little pill, a (20)\_\_\_\_\_ thrill

Should I take it? I think I will

And anything will do good so

As long as it's always too good

(21)\_\_\_\_\_ way I don't give a d\*mn

What you (22)\_\_\_\_\_ all say

All now boy

It's not on me, it's all on you

I can't deny the things I do

I can't believe her (23)\_\_\_\_\_ (24)\_\_\_\_\_

Walked over me, all over me

It's not on me, it's all on you

(25)\_\_\_\_\_ (26)\_\_\_\_\_ a time to speak the truth

So you can see me (27)\_\_\_\_\_ I leave

Walk over you, all over you yeah

## Fill in the gaps

### Answer

1. having
2. month
3. sober
4. think
5. over
6. jumped
7. over
8. seems
9. people
