## Brand new me by Alicia Keys

## Fill in the gaps

It's been a while	I've been under you too long
I'm not who I was before	If you notice that I'm different, don't take it personally
You look surprised	Don't be mad, it's just a brand new kind of me
Your (1) don't burn me anymore	That ain't bad, I found a brand new kind of free
Been meaning to tell you but I guess it's clear to see	It took a long, long road to get here
(2) be mad, it's just a brand new kind of	It took a brave, brave girl to try
me	I've taken one too (8) excuses
Can't be bad	One too many lies
I found a brand new (3) of free	Don't be surprised, all saying you look surprised
Careful with your ego,	If you were a friend you wanna get to know me again
He's the one that we should blame	If (9) were worth a while
Had to grab my heart back	You would be happy to see me smile
God know something had to change	I'm not expecting sorry
Thought that you'd be happy	I'm too busy finding myself
I found the one thing I need, why you mad?	I've got this, I've found me, I've found me
It's (4) a brand new kind of me	I don't need your opinion, I'm not waiting for (10)
It took a long, long (5) to get (6)	okay
It took a brave, brave girl to try	I'll never be perfect, but at least now I'm brave
It took one too many excuses	And now my heart is open, I can finally breathe
One too many lies	Don't be mad, it's just a brand new kind of free
Don't be surprised, don't be surprised	That ain't bad, I found a brand new kind of me
If I talk a little louder	Don't be mad, it's a brand new time for me
If I speak up when you're wrong	
If I (7) a little taller
