(1) situation overload	"Shut up and kiss me now"
I'm restless, obsessed (2) (3) future	And we carry on
And all my worries, they don't (4) you	I don't (13) say goodnight
Collected, you render me useless	The (14) comes alive when we're together
But I carry on	Why can't (15) (16) forever?
Right now, I (5) that you think that	I don't wanna say goodnight
I'm half-drunk, searching for something of substance	I've never (17) so sure
To casually dropping a line designed	Just do it for the memories
To keep you next to me	Do it for Baltimore
I can't awkwardly craft an advance	And do it for me
I (6) that you wouldn't fall for that	Do it for me
You say, "shut up and take my hand"	(18) situation overload
And we carry on	I'm restless, (19) with your future
I don't wanna say goodnight	And all my worries, they don't (20) you
The city comes alive when we're together	Collected, you render me useless
Why can't Thursday last forever?	But I carry on
I don't wanna say goodnight	I don't wanna say goodnight
I've never been so sure	The (21) comes alive when we're together
Just do it for the memories	Why can't Thursday (22) forever?
Do it for Baltimore	I don't (23) say goodnight
And do it for me	I've never been so sure
Hot damn, look at me now I'm all (7) up	Just do it for the memories
Riding the high of my (8) luck	Do it for Baltimore
Casually dropping a (9) designed	And do it for me
To keep you (10) to me	
I bet you (11) thought you would fall again	
So much for (12) this just friends
