## Shelter by Birdy

## Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I have never felt this way?
(1) I have said
Something that was wrong
Can I (2) it better
(3) the (4) turned on?
Maybe I (5) said
(6) that was wrong
Can I make it better
(7) the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
I still want to (8) whenever you leave
Please teach me gently how to breathe
Please teach me gently how to breathe
Please teach me gently how to breathe  And I'll cross oceans like never before
Please teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too
Please teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too  And I'll sing images back at you
Please teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too  And I'll sing images back at you  So you can see the way I feel it too
